The screenshot shows the Inspire Jobs website interface. At the top, the 'iNSPIRE HEP' logo is on the left, and a search bar contains 'jobs' and 'dark matter' with a magnifying glass icon. Below the search bar, it says '73 results'. On the right, there is a link to 'Subscribe to mailing list' and a dropdown menu for 'Earliest Deadline'. A 'Filter' button is also present. The first job listing is 'Funded PhD studentships in cosmology' from Newcastle U., United Kingdom, Sch. Math. Stat. • Europe. It has tags for 'astro-ph', 'gr-qc', 'physics', and 'PhD'. The deadline is 'Feb 7, 2020' and it was posted '2 months ago'. The second listing is 'Cosmology' from the same institution, with similar tags and deadline. The third listing is 'Faculty Position in Theoretical Particle Physics' from Perimeter Inst. Theor. Phys. • North America, with tags for 'hep-ph', 'hep-th', 'astro-ph', and 'Junior (leads to Senior)'. A vertical 'Feedback' button is on the right side of the job listings.

Feedback

- ▶ Most jobs posted here. However this round AJO did really well...
- ▶ Need to email reference letters individually <— Sucks!

The cover letter, research statement and CV

Ideas to talk about

- ▶ Length of each
- ▶ Their names not sir/madam
- ▶ Research statement most important!?
- ▶ Can get interview based off statement.
- ★ Content: what to put in, what to leave out
- ★ Nailing the research ideas
- ★ How to optimize the tailoring process

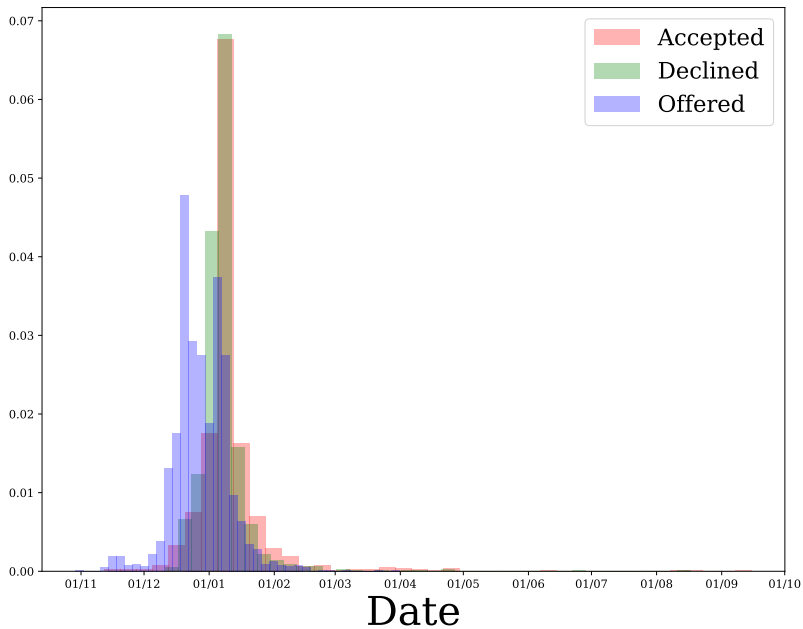

The “main round”: Structure and important dates

- ▶ Define main round (for hep only really?)
- ▶ Andre: Experience off main round with slovenia
- ▶ Jan 7th!!!!
- ▶ Best people get poached first. This year CERN got 5 people in November
- ★ Pre-main round

Rumour mill

- ▶ Overview of what it is
- ▶ Shit people get the offers - who they know
- ★ Rumour mill psychology
- ★ Try and not look at it at all if you can

Rumor Mill Stats

The interview

- ▶ NOT like industry
- ▶ Very very chilled.
- ▶ IF they talk about anything, it will only be about research statement.
- ▶ know what job you are applying for lol
 - ★ Take notes from each meeting to improve
 - ★ Take notes TO the meeting
 - ★ When they ask "do you have any questions for us?" ALWAYS have a few questions ready to go: give some ideas
